City Council
City of Port Angeles
P O Box 1150
Port Angeles, WA 98362

Dear Mayor Downie & City Council,

I write to you on behalf of the members of the Port Angeles Business Association with regard to the deplorable condition of the public restroom located in the parking lot between the Family Shoe Store and the Odyssey Book Store on Front Street.

The restroom is extremely dirty and in disrepair. It has been vandalized over time and currently serves as a location for drug-related activities. Drug paraphernalia can freely be found in the restroom at any given time. We feel it is nothing but an embarrassment to the City.

We ask that you direct City staff to expedite a program to restore and maintain the restroom to a condition that is worthy of Port Angeles, its citizens, and its visitors. Thank you in advance for your attention to this most important matter.

Sincerely yours,

John Brewer
President
